

Christ Lutheran Church
Special Agenda Minutes: 10/02/22

Call to order by Kevin Harvot at 1020 A.M.

This is an informal meeting to discuss and vote on the consolidation of Christ Lutheran Church and Our Savior's Lutheran Church.

Questions discussed:

1. What happens to the finances? Where are we as Christ Lutheran Church at and how can we increase revenue?

Discussion – All monies will be joined into one treasury account as of 1/1/2023. We will continue to need Pastor, Megan and Pete. There could be the possibilities of grant monies to help us out.

2. What has happened to our investment monies that were from the sale of our church?

Discussion –The monies are still in the account minus what we had used for needed expenses. With the current state of the stock market the amount has also decreased by some. These monies would be left as is for now. We can add on conditions to these monies as to what they can be used for.

3. What about consolidation with other churches that are seeing decreased attendance and support? Are we rushing the consolation and will end up spending more monies to incorporate them if they would so request?

Discussion – because this is a grieving process to let go of who the church is it takes time. Christ Lutheran is ahead of the crowd on this as we started many years ago. Our Saviors' is just in the beginning process and other churches
